

STARTING THE OBITUARY:

An obituary may be started in a number of ways. You might simply say “NAME passed away on DATE”, or you could include any number of the following:

- A short introduction (it is with heavy hearts, we mournfully announce the passing of..., NAME went to be with his saviour, etc.) is optional
- Location of death (in Grande Prairie, at home, in FACILITY NAME, etc)
- Nature of the death (suddenly, after a long illness, unexpectedly, etc.)

Don't feel like you have to comply with any “rules” – do whatever feels right for you and your family.
